Review and discussion of policies EFD-Student Food Services Accounts, ADF-Wellness, and BDA-School Committee Organizational Meeting.

The Subcommittee read Policy EFD and discussed the proposed procedures to collect outstanding money owed for school lunches. After some discussion it was decided that further information and discussion were needed before the policy could be revised and presented to the Committee.

The Subcommittee then read and discussed Policy ADF-Wellness, which added language to the existing Wellness policy. The proposed new language was to bring the policy manual up to date. The Policy Subcommittee agreed to send this revised policy to the full School Committee.

The Subcommittee then read and discussed Policy BDA-School Committee Organization Meeting, which had a minor word change (changed the word secretary to clerk). The Subcommittee agreed to send this revised policy to the full School Committee.
