MANAGER'S MESSAGE

The Expanding Horizons Program has been a part of Foxborough families for over forty years. Each year children participate in a variety of physical education, artistic, and creative classes, as well as fun academic courses. Our Kid's Camp provides hands-on learning experiences and fun for preschoolers, kindergartners, and children entering first grade.

Our goal is to promote continued education and life skills development through a variety of recreational activities and fun classroom learning experiences.

We see these goals being met year after year through feedback from parents, the return of great staff, and the growing numbers at registration. We look forward to another great summer!

Again this year our enrichment program for grades 2 and up will offer **2 two-week programs, July 5-July 15 and July 18-July 29**. Each program will consist of two sessions, 9:00-10:20 a.m. and 10:40-12:00 noon. Children may sign up for as many as four activities during the month.

Transportation to the Booth Field will be available daily at 12:00 noon. Please be sure to indicate on the registration form if you need this service. Contact the **Recreation Department at 508-543-7255** to make arrangements for your child to attend the Booth Playground.

Please note that our Kid's Camp will be held at the **Igo Elementary School, July 5-July 29 from 8:30-11:30 p.m.**

Please contact me with any questions or should you require further clarification at **508-698-3858**.
