

SCHOOL COMMITTEE OPERATIONAL GOALS

The Foxborough School Committee is responsible to the people for whose benefit the school system has been established. The Foxborough School Committee's current decisions will influence the course of education in our schools for years to come. The Foxborough School Committee and each of its members must look to the future and to the needs of all people more than the average citizen finds necessary. This requires a comprehensive perspective and long-range planning in addition to attention to immediate problems.

The Foxborough School Committee's primary responsibility is to establish those purposes, programs, and procedures that will best produce the educational achievement needed by our students. The Foxborough School Committee is charged with accomplishing this while also being responsible for wise management of resources available to the school system. The Foxborough School Committee must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy, and by evaluating the results. It must carry out its functions openly, while seeking the comments of public, students, and staff in its decision-making processes.

In accordance with these principles, the technique will involve:

1. Periodically setting performance objectives for the Foxborough School Committee itself and evaluating their accomplishment.
2. Setting objectives for performance for each position and function in the system.
3. Allowing the people responsible for carrying out objectives to have a role in setting them.
4. Establish practical and simple goals.
5. Conducting a concrete and periodic review of performance against these goals.

Policy adopted 3-24-08

EVALUATION OF SCHOOL COMMITTEE OPERATIONAL PROCEDURES

The Foxborough School Committee will periodically establish realistic objectives related to Foxborough School Committee procedures and relationships. At the end of a specified length of time, the Foxborough School Committee will measure its performance against the stated objectives.

The following areas of Foxborough School Committee operations and relationships are representative of those in which objectives may be set and progress appraised:

1. Communication with the public
2. School Committee - Superintendent relationships
3. School Committee member development and performance
4. Policy development
5. Educational leadership
6. Fiscal management
7. School Committee meetings
8. Performance of subcommittees of the School Committee

When the Foxborough School Committee has completed its annual self-evaluation, the members will discuss the results in detail and formulate a new series of objectives. At the same time, the Foxborough School Committee will set an approximate date on which the next evaluation will be conducted.

Implied in the concept of evaluation is an assumption that individuals and committees are capable of improvement. The Foxborough School Committee believes that its performance will be improved if evaluation is carried out systematically in accordance with good planning, conscientious follow-through, and careful assessment of results.

In our relations with our school administrators we should:

- a. Endeavor to establish sound, clearly defined policies which will direct and support the administration.

- g. Be aware that what we say publicly may be taken as the opinion of the entire Foxborough School Committee or school district and refrain from making public statements representing the Foxborough School Committee on issues under discussion before a School Committee decision has been reached.
- h. Subordinate personal differences in order that actions of the Foxborough School Committee may be effective and refrain from making public derogatory statements regarding School Committee decisions with which you disagree.

CITIZEN ADVISORY COMMITTEES TO THE SCHOOL COMMITTEE

The following general policies will govern the appointment and functioning of citizen advisory committees to the Foxborough School Committee other than the student advisory committee, which is governed by the terms of the Massachusetts General Laws.

1. Citizen advisory committees may be created by the Foxborough School Committee to serve as task forces for special purposes or to provide continuing consultation in a particular area of activity. However, there will be no standing overall citizen advisory committee to the Foxborough School Committee.
2. If a citizen advisory committee is required by state or federal law, its composition and appointment will meet all the guidelines established for that particular type of committee.

SCHOOL COUNCILS

The Foxborough School Committee believes that the school is the key unit for educational improvement and change and that successful school improvement is best accomplished through a school-based decision-making process. By involving those directly affected by any action or decision of the school council in the process of determining that action or decision, it helps to strengthen the commitment to those decisions by those most affected by its implementation.

Under this policy, the Principal shall have primary responsibility for the management of the school. Decisions which are made at the school level must be aligned with the budget, policies, curriculum, and long-range and short-range goals adopted by the Foxborough School Committee. In addition, decisions must comply with any state and federal laws and regulations and with any negotiated agreements of the school District.

As enacted by the state legislature in the Education Reform Act of 1993, a school council shall be established in each school to advise the Principal in specific areas of school operation. The Principal, except as specifically defined in the law, shall have the responsibility for defining the composition of and forming the group pursuant to a representative process approved by the Superintendent and Foxborough School Committee.

The following guidelines define the role of the school council:

The School Council shall meet regularly with the Principal of the school and shall assist in:

1. Adoption of educational goals for the school that are consistent with state and local policies and standards.
2. Identification of the educational needs of the students attending the school.
3. Review and advocate for the school building budget.
4. Formulation of a school improvement plan that may be implemented only after review and approval by the Foxborough School Committee, every two years as stated in the Foxborough Public Schools Improvement Plan.

According to the State Ethics Commission's Opinion EC-COI-93-21 (October 19, 1993), school councils are considered municipal agencies and their members, although they serve without compensation, are considered municipal employees for purposes of the conflict of interest law. Conflict of interest questions will be directed to the State Ethics Commission.

SCHOOL IMPROVEMENT PLAN

The Principal, in conjunction with the school council, shall be responsible for preparing a written school improvement plan annually. This plan shall be written with the advice of the school council and submitted for approval to the Superintendent and the Foxborough School Committee. The plan should be drafted with the following in mind:

1. The educational goals for the school consistent with the goals and standards, including student performance standards, as adopted by the Massachusetts Board of Education and by the Foxborough School Committee.
2. An assessment of the needs of the school in light of the proposed educational goals.
3. The means to address student performance.
4. Professional development for the school's professional staff.
5. The enhancement of parental involvement in the life of the school, safety, and discipline.
6. The development of means for meeting the diverse learning needs of every child.
7. Any further subjects as the Principal, in consultation with the school council, shall consider appropriate, except that:
 - a. The council shall have no authority over matters that are subject to Chapter 150E, the collective bargaining law or budget approval.
 - b. The council may not expand the scope of its authority beyond that established in law or expressly granted by Foxborough School Committee policy.

SUBMISSION AND APPROVAL OF THE SCHOOL IMPROVEMENT PLAN

The written school improvement plan shall be submitted by the Principal to the Superintendent and the Foxborough School Committee for review and approval annually.

Because the implementation of the plan is dependent on Foxborough School Committee approval, it is important that the school council be aware of certain expectations of the Foxborough School Committee regarding the school improvement plan. The school improvement plan should:

1. Focus on improvement of student learning.
2. Specify expected student outcomes and measurable/observable results.
3. Align with the mission of the School District and any goals and policies of the School District.
4. Be consistent with state and federal law, Foxborough Public Schools policy, established curriculum and negotiated agreements.
5. Clearly identify actions to be taken on how changes will be implemented.
6. Include a plan on how to solicit community support for the changes being developed.
7. Indicate anticipated costs and available funding sources.
8. Delineate the method of evaluating and reporting progress and results.

If the school improvement plan is not approved by the Superintendent and Foxborough School Committee, it shall be returned to the Principal with specific comments as to the reason(s). The Principal shall revise the plan in cooperation with the school council, and resubmit it for approval.

CONDUCT OF SCHOOL COUNCIL BUSINESS

The Principal shall, by law, serve as co-chair of the council. The second co-chair will be elected annually by the council members at its first meeting of the school year subsequent to the elections of new council members. The co-chairs will be responsible for the preparation of the agenda for the council meetings.

The school council shall meet at least once monthly during the school year. Meetings will be held outside of school hours. At its first meeting of the school year, the council will set its calendar of regular meetings for the year. Where circumstances warrant, the council may choose to call additional meetings.

School councils shall use consensus as the primary method to resolve issues and to formulate recommendations. Votes by majority may be taken at the discretion of the Principal and Robert's Rules of Order shall prevail if there are questions of procedure.

All meetings of the school council shall conform to the Open Meeting Law, Sections 23 A, B, and C, which stipulates that all meetings be open to the public, that meetings be posted at least 48 hours in advance, and that minutes of the meeting shall be maintained as required. The scope of the school council does not require, and therefore does not qualify for, executive session.

The Superintendent shall receive electronic copies of agendas and minutes of all school council meetings. The Superintendent shall provide copies of these materials to members of the Foxborough School Committee for information, upon request.

School principals will provide a report periodically on School Council activities and on School Improvement Plans.

SCHOOL ATTORNEY

The Foxborough School Committee may use the services provided by the town counsel. The Foxborough School Committee and the Superintendent may seek his/her services to counsel and represent the school system at various times.

However, because the complexity of school department operations often requires specialized legal services, the Foxborough School Committee may also retain an attorney or law firm to provide additional legal services.

It will be the duty of the counsel for the Foxborough School Committee to advise the Foxborough School Committee and the Superintendent on the specific legal problems submitted to him. He/she will attend meetings upon request and will be sufficiently familiar with Foxborough School Committee policies, practices, and actions under these policies, and with requirements of the school law to enable him/her to offer the necessary legal advice.

A decision to seek legal advice or assistance on behalf of the school system will be made by the Foxborough School Committee via the Chairman. The Superintendent may also take such action at the direction of the Foxborough School Committee.

Many types of legal assistance are routine and do not require specific Foxborough School Committee approval or prior notice. However, when the Superintendent concludes that unusual types or amounts of professional legal service may be required, he/she will advise the Foxborough School Committee and seek either initial or continuing authorization for such service.

EXECUTIVE SESSIONS

All meetings of the Foxborough School Committee are open to attendance by the public and media representatives. However, the Committee has the right to convene in a closed executive session when it meets the following procedural conditions imposed by state law:

1. The Committee will first convene in an open session for which due notice has been given.
2. The Chair (or, in his/her absence, the presiding member) will state the purpose for the executive session by stating all subjects that may be revealed without compromising the purpose for which the executive session was called.
3. A majority of the members must vote to enter the executive session, with the vote taken by roll call and recorded in the official minutes.
4. The Chair or presiding member will state before entering the executive session whether the Committee will reconvene in open session after the executive session.

The law puts specific limitations on the purposes for which executive sessions may be convened. The Committee may enter executive sessions only to deliberate:

1. The reputation, character, physical condition or mental health, rather than the professional competence, of a single individual.
2. The discipline or dismissal, including the hearing of charges against a member of the Committee, a school department employee or student, or other individual. The individual has certain rights enumerated in the law including requiring the Committee to hold an open session should the individual so request.
3. Strategy with respect to collective bargaining, non-union contract negotiations, or litigation, if an open meeting might have a detrimental effect. Collective bargaining may also be conducted.
4. The deployment of security personnel or devices.
5. Allegations of criminal misconduct or to discuss the filing of criminal complaints.
6. Transactions of real estate, if an open meeting might be detrimental to the negotiating position of the Committee or another party.
7. To comply with the provisions of any general or specific law of federal grant-in-aid requirements.
8. To consider and interview applicants for employment (The only position that the Foxborough School Committee would be involved in that might qualify would be for the position of Superintendent). This exemption only applies if it can be determined that an open meeting will have a detrimental effect in obtaining qualified applicants.
9. To meet or confer with a mediator and/or attorney with respect to any litigation or public business.

(In the first two cases listed, an open meeting will be held if the individual involved so requests.)

Accurate records of the proceedings conducted in executive session will be kept and may remain secret only so long as their publication would defeat the purpose of the session. The Committee will review executive session minutes for possible declassification at least once each year.

The School Committee Chair and the Superintendent will review executive session minutes for possible declassification on, at least, a quarterly basis and, if necessary, will consult with legal counsel. The School Committee Chair will bring minutes recommended for declassification to the School Committee for a vote either as part of a consent agenda or for individual action. In either case, there shall be an announcement of the declassification of minutes.

When a specific set of executive session minutes, not yet declassified, is requested by a member of the public, the School Committee shall render a decision on declassification at its next meeting or within 30 days after the request, whichever occurs first.

All votes taken in executive session will be recorded roll call votes, and will become part of the minutes of executive sessions.

PUBLIC PARTICIPATION AT SCHOOL COMMITTEE MEETINGS

All regular and special meetings of the Foxborough School Committee shall be open to the public. Executive sessions will be held only as prescribed by the Statutes of the Commonwealth of Massachusetts.

The Foxborough School Committee desires citizens of the Foxborough Public Schools to attend its meetings so that they may become better acquainted with the operations and the programs of our local public schools. In addition, the Committee would like the opportunity to hear the wishes and ideas of the public.

In order that all citizens who wish to be heard before the Committee have a chance and to ensure the ability of the Committee to conduct the Foxborough Public Schools business in an orderly manner, the following rules and procedures are adopted:

1. At the start of each regularly scheduled Foxborough School Committee meeting, individuals or group representatives will be invited to address the Committee during the visitor's portion of the agenda. The Chairman shall determine the length of the public participation segment.
2. Speakers will be allowed up to five (5) minutes to present their material. The Chairman may permit extension of this time limit. Prepared written remarks must be presented to the Foxborough School Committee at the time of the presentation so that they **may** be attached to the minutes of the meeting **at the Committee's discretion**. Remarks or questions related to an agenda item shall be deferred until that specific agenda item has been taken up.
3. All questions posed to the Foxborough School Committee during the visitor's section that cannot be answered during the meeting will be answered subsequent to the meeting in a timely manner.
4. The Chairman may allow questions from the audience after presentations or discussions on those items listed on the Foxborough School Committee meeting agenda for that evening.
5. Improper conduct and remarks will not be allowed. Defamatory or abusive remarks are always out of order. If a speaker persists in improper conduct or remarks, the Chairman may terminate that individual's privilege of address.
6. All remarks will be addressed through the Chairman of the meeting.
7. Speakers may offer such objective criticisms of the school operations and programs as concern them, but in public session the Committee will not hear personal complaints of school personnel nor against any member of the school community. Under most circumstances, administrative channels are the proper means for disposition of legitimate complaints involving staff members.

SPECIAL PROCEDURES FOR CONDUCTING PUBLIC HEARINGS

In conducting all public hearings required by law, and others, as it deems advisable, the Foxborough School Committee will:

1. Give due and public notice in line with statutory requirements and seek to publicize the meeting in local media.
2. Make available printed information on the topic of the hearing.
3. Give all persons an equal opportunity to be heard in accordance with the Committee's policy.

The Chairman of the Committee will preside at the hearing.

The public will be informed at the beginning of the hearing the particular procedure that will be followed in regard to questions, remarks, rebuttals, and any time limitations or other rules that must be followed to give everyone an opportunity to be heard.

In conformance with customary hearing procedures, statements and supporting information will be presented first by the Committee, or by others for the Committee; to comment, citizens must be recognized by the chair, and all remarks must be addressed to the chair and be germane to the topic. To assure that all who wish get a chance to speak, the chair will recognize persons who have not commented previously during the hearing before recognizing persons who wish to remark a second time.

SCHOOL COMMITTEE POLICY DEVELOPMENT

The Foxborough School Committee will develop policies and put them in writing so that they may serve as guides for the discretionary action of those to whom it delegates authority.

The formulation and adoption of these written policies will constitute the basic method by which the Foxborough School Committee will exercise its leadership in providing for the successful and efficient functioning of the school system. Through the study and evaluation of reports concerning the execution of its policies, the Foxborough School Committee will exercise its control over school operation.

The Foxborough School Committee accepts the definition of policy set forth by the National School Boards Association:

Policies are principles adopted by a School Committee to chart a course of action. They tell what is wanted; they may include why and how much. Policies should be broad enough to indicate a line of action to be followed by the administration in meeting day-to-day problems, yet be specific enough to give clear guidance.

The policies of the Foxborough School Committee are framed, and are meant to be interpreted, in terms of state law, regulations of the Massachusetts Board of Education, and other regulatory agencies of the various levels of government.

Policy adopted: 3-24-08

SCHOOL COMMITTEE POLICY ADOPTION

Adoption of new policies or changing existing policies is solely the responsibility of the Foxborough School Committee. Policies will be adopted and/or amended only by the affirmative vote of a majority of the members of the Foxborough School Committee when such action has been scheduled on the agenda of a regular or special meeting.

To permit time for study of all policies or amendments to policies and to provide an opportunity for interested parties to react, proposed policies or amendments will be presented as an agenda item to the Committee in the following sequence:

1. Information item - distribution with agenda
2. Discussion item - first reading of proposed policy or policies; response from Superintendent; report from any advisory Committee assigned responsibility in the area; Committee discussion and directions for any redrafting
3. Action item - discussion, adoption or rejection.

Amendments to the policy at the action stage will not require repetition of the sequence, unless the Committee so directs. The Foxborough School Committee will vote to approve all policies following the second reading.

The Foxborough School Committee may dispense with the above sequence to meet emergency conditions.

Policies will be effective upon the date set by the Foxborough School Committee. This date will ensure that affected persons have an opportunity to become familiar with the requirements of the new policy prior to its implementation.

Policy Revised: 4-25-11

SCHOOL COMMITTEE POLICY REVISION AND REVIEW

In an effort to keep its written policies up to date so that they can be used consistently as a basis for Foxborough School Committee action and administrative decision, the Foxborough School Committee will review its policies on a regular basis.

The Foxborough Committee will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies it has adopted.

The Superintendent is given the continuing commission of calling to the Committee's attention all policies that are out of date or for other reason appear to need revision.

The Foxborough School Committee directs the Superintendent to periodically recall all policy and regulations manuals for administrative updating and Committee review.

Policy adopted: 3-24-08

SCHOOL COMMITTEE REVIEW OF PROCEDURES

It is expected that the Superintendent and administrative staff will need to issue procedures implementing policies of the Foxborough School Committee. Many of these will be routine from year to year; others will arise in special circumstances; some will be drawn up under specific directions from the Committee.

The Committee may review the procedures developed by the Superintendent for the school system whenever they appear inconsistent with policy, goals, or objectives of the district, but it will revise or veto such procedures only when, in the Committee's judgment, they are inconsistent with policies adopted by the Committee.

The Committee will not officially approve procedures except as required by state law, or in cases when strong community attitudes or possible student or staff reaction make it necessary or advisable for a procedure to have the Committee's advance approval.

Rules Pertaining to Staff and Student Conduct

Under Massachusetts law, the Superintendent is required to publish "rules and regulations pertaining to the conduct of teachers and students which have been adopted." (Codes of discipline, as well as procedures used to develop such codes shall be filed with the Department of Education for information purposes only.) Standards of conduct will be included in staff and student handbooks. All changes to these handbooks will be reviewed and approved annually by the Foxborough School Committee.

LEGAL REFS.: M.G.L. 71:37H

Policy adopted: 3-24-08

SCHOOL COMMITTEE POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Foxborough School Committee and the regulations needed to put them into effect.

Accessibility is to extend at least to all employees of the school system, to members of the Committee, and, insofar as conveniently possible, to all persons in the community. A policy concerning a particular group or groups in the schools will be distributed to those groups prior to the policy's effective date.

All policy manuals distributed to anyone will remain the property of the Committee and will be considered as "on loan" to anyone, or any organization, in whose possession they might be at any time. They are subject to recall at any time deemed necessary for purposes of updating.

The Foxborough School Committee's policy manual will be considered a public record and will be available for inspection at the Superintendent's office.

Policy adopted: 3-24-08

SCHOOL COMMITTEE SUSPENSION OF POLICIES

The operation of any section or sections of Foxborough School Committee policies not established by law or contract may be temporarily suspended by a two-thirds vote of Committee members present at any regular or special meeting. Any action to suspend policy must be reviewed at the next scheduled meeting and will be so noted on the agenda for that meeting.

Policy adopted: 3-24-08

SCHOOL COMMITTEE-STAFF COMMUNICATIONS

The Foxborough School Committee wishes to maintain open channels of communication between itself and the staff. The basic line of communication will, however, be through the Superintendent.

Staff Communications to the School Committee

All communications or reports to the Committee or any of its subcommittees from Principals, supervisors, teachers, or other staff members will be submitted through the Superintendent. This procedure does not deny the right of any employee to appeal to the Committee for administrative decisions on important matters, except those matters that are outside of the Committee's legal authority, provided the Superintendent has been notified of the forthcoming appeal and that it is processed in accordance with the Committee's policy on complaints and grievances. Staff members are also reminded that Committee meetings are public meetings. As such, they provide an excellent opportunity to observe first hand the Committee's deliberations on problems of staff concern.

School Committee Communications to Staff

All official communications, policies, and directives of staff interest and concern will be communicated to staff members through the Superintendent. The Superintendent will develop appropriate methods to keep staff fully informed of the Committee's problems, concerns and actions.

Visits to Schools

Individual School Committee members interested in visiting schools or classrooms will inform the Superintendent of such visits and make arrangements for visitations through the Principals of the various schools. Such visits will be regarded as informal expressions of interest in school affairs and not as "inspections" or visits for supervisory or administrative purposes. Official visits by Committee members will be carried on only under Committee authorization.

Policy adopted: 3-24-08

USE OF ELECTRONIC MESSAGING BY SCHOOL COMMITTEE MEMBERS

As elected public officials, Foxborough School Committee members shall exercise caution when communicating between and among themselves via electronic messaging services including, but not limited to, electronic mail (e-mail), text messages, social media postings, Internet web forums, and Internet chat rooms.

Under the Open Meeting Law, deliberation by a quorum of members constitutes a meeting. Deliberation is defined as movement toward a decision including, but not limited to, the sharing of an opinion regarding business over which the Committee has supervision, control, or jurisdiction. A quorum may be arrived at sequentially using electronic messaging without knowledge and intent by the author.

Foxborough School Committee members should use electronic messaging between and among members only for housekeeping purposes such as requesting or communicating agenda items, meeting times, or meeting dates. Electronic messaging should not be used to discuss Committee matters that require public discussion under the Open Meeting Law.

Under the Public Records Law, electronic messages between public officials may be considered public records. Therefore, in order to ensure compliance, the Foxborough School Committee chairman, in consultation with the Superintendent of Schools, shall annually designate a member of the central office staff who shall be copied on all electronic correspondence between and among members of the Foxborough School Committee. These copies shall be printed and retained in the central office in the same fashion as any other Foxborough School Committee records. Foxborough School Committee members who do not have a computer or access to these messages shall be provided copies on a timely basis.

SCHOOL COMMITTEE CONFERENCES, CONVENTIONS, AND WORKSHOPS

To provide continuing in-service training and development for its members, the Foxborough School Committee encourages the participation of all members at appropriate Foxborough School Committee conferences, workshops and conventions. However, in order to control both the investment of time and funds necessary to implement this policy, the Committee establishes these principles and procedures for its guidance:

1. The Committee secretary will maintain a calendar of Foxborough School Committee conferences, conventions and workshops. The Committee will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the school system. At least annually, the Committee will identify those new ideas or procedures and/or cost benefits that can be ascribed to participation at such meetings.
2. Funds for participation at such meetings will be budgeted for on an annual basis. When funds are limited, the Committee will designate which of its members would be the most appropriate to participate at a given meeting.
3. Reimbursement to Committee members for their travel expenses will be in accord with the travel expense policy for staff members.
4. When a conference, convention, or workshop is not attended by the full Committee, those who do participate will be requested to share information, recommendations and materials acquired at the meeting.

SCHOOL COMMITTEE MEMBER COMPENSATION AND EXPENSES

The Foxborough School Committee shall serve without compensation, except that a member of a School Committee of a city, town, regional school district or superintendency union may be compensated for his/her services by a majority vote of the city council in a city having a Plan D or Plan E charter; in a city not having a Plan D or Plan E charter by vote of the city council, subject to the provisions of the charter of such a city; in a town by a majority vote at a town meeting; and in a regional school district or school superintendency by a majority vote of the voting member towns authorized at their respective town meetings, the amount of such compensation, in each case, to be set by the respective cities, towns or groups of towns. No member of a School Committee in any town shall be eligible to the position of teacher, or Superintendent of public schools therein, or in any union school or superintendency union or district in which his/her town participates.

Upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Committee, members may be reimbursed from school funds.

Reimbursable expenses may include the cost of attendance at conferences of School Committee associations and other professional meetings or visitations when such attendance and expense payment has had prior Foxborough School Committee approval.

SCHOOL COMMITTEE LEGISLATIVE PROGRAM

The Foxborough School Committee, as an agent of the state, must operate within the bounds of state and federal laws affecting public education. If the Committee is to meet its responsibilities to the residents and students of this community, it must work vigorously for the passage of new laws designed to advance the cause of good schools and for the repeal or modification of existing laws that impede this cause.

To this end:

1. The Committee will keep itself informed of pending legislation and actively communicate its concerns and make its position known to elected representatives at both the state and national level.
2. The Committee will work with its legislative representatives (both state and federal), with the Massachusetts Association of School Committees, and other concerned groups in developing an annual, as well as a long-range, legislative program. One of the major objectives of the Committee's legislative program will be to seek full funding for all state and federally mandated programs.
3. The Committee will annually designate a person--who may or may not be a member of the Committee--to serve as its legislative representative. This person will be authorized to speak on the Committee's behalf with respect to legislation being considered by the Massachusetts Legislature or the United States Congress or their respective committees. In all dealings with individual elected representatives, the Legislature or Congress, the Committee's representative will be bound by the official positions taken by the Foxborough School Committee.

Policy adopted: 3-24-08

SCHOOL COMMITTEE MEMBERSHIPS

The Foxborough School Committee will maintain memberships in the national, state and regional School Committees (boards) associations and take an active part in the activities of these groups.

It may also maintain institutional memberships in other educational organizations, which the executive officer and Committee find to be of benefit to members and personnel.

The materials and benefits of institutional memberships will be distributed and used to the best advantage of the Committee and the staff.
